Managing Your Household Money

In current economic times, more and more people are at a loss and trying to get a handle on paying for the basics. A group of non-profit agencies and the Loudoun County Department of Family Services formed Partners Achieving Self-Sufficiency (PASS) to focus on best ways to meet the rising tide of need. Working with the Loudoun County Extension Service's Volunteer Financial Council, PASS created **MANAGING YOUR HOUSEHOLD**

MONEY, a two-session workshop that helps participants get at the roots of their economic problem and create a path out of it.

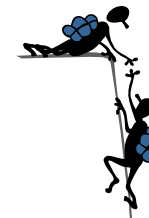

Workshop Time and Place

- ♦ 6:30-9:00 p.m.
- ♦ Loudoun County Extension Service Meeting Room
30-B Catoctin Circle, SE, Leesburg, VA. (street-side of Virginia Village Shopping area)
